**EnRoute Pinot Noir “Les Pommiers”
Russian River River Valley 2008** - The second vintage of Pinot from the partners at Far Niente. Made by acclaimed winemaker Andrew Delos of MacRostie, Olivet Lane and Nickel & Nickel fame, this wine already exudes class and breed. Frost in the spring and a heat spike in May severely reduced the size of the crop, but left small, ripe berries at harvest. Ripe cherries and plums with an expansive middle taste. Supple tannins with a hint of sweet oak and earth.
